## Anjaney Borwankar

---

Anjaney Borwankar (Anjan), IESE MBA'03, is a passionate supporter of his alma mater. He is keen to share his experience with any IESE alumnus who seeks his support.

In his prior roles as Managing Director of Catenon (India & Singapore) and as Regional Director for IESE Business School (Southeast Asia & India), Anjan has had the opportunity to counsel hundreds of individuals, from senior business executives to mid-level executives to MBA students. The feedback received indicates that Anjan has a natural flair for mentoring individuals, providing practical career advice. He is known for his direct pragmatic approach and can assist individuals in gaining clarity of thought to develop their actions for personal development and career advancement.

Anjan is a successful serial entrepreneur and a seasoned business executive with over two decades of management experience. He has lead diverse organizations across many industries and regions in the world. He has lived and worked in Spain, India, Singapore, UK, Sri Lanka and Serbia.

Anjan is an Indian citizen, married to a Spaniard and has 2 sons aged 9 and 6. Anjan currently resides between Singapore and Barcelona.
